

# Memorandum

**TO:** HONORABLE MAYOR  
AND CITY COUNCIL

**FROM:** Leslye Corsiglia

**SUBJECT:** SEE BELOW

**DATE:** June 16, 2014

Approved Paul Aztec

Date

6/16/14

**COUNCIL DISTRICT: 3**

## SUPPLEMENTAL

**SUBJECT: APPROVAL OF A REVISED EASEMENT AND SUBORDINATION  
AGREEMENT FOR THE VINTAGE TOWERS APARTMENTS  
PROJECT**

## REASON FOR SUPPLEMENTAL

The memorandum on this item, dated June 11, 2014, misstates the allocation of parking places to the Vintage Towers Apartments in the new parking structure to be built as part of the Student Housing Development. This supplemental report corrects that error.

## ANALYSIS

The Background section of the Housing Department's June 11, 2014 report to City Council on this item contains a misstatement of how parking spaces will be allocated in the new garage to be built as part of the Student Housing Development. The error is in the final sentence of the third paragraph under Background on Page 2 of the report.

That sentence should read:

"The Student Housing Development will provide 119 parking spaces for its residents, as well as 70 spaces for Vintage Tower Apartments tenants, and 4 spaces for the First United Methodist Church."

No other changes to the Recommendation and body of the June 11, 2014 Council report are necessary.
